Ed Carnes, Sue DiVila, Gayle Grant and Sharon Mackey

On behalf of Monroe Central VFW Post 262, the Colin Pascik Road to Recovery Fund and the Pascik and Bromley Families we wish to thank each and every one of you for your most generous donations to help this Marine and his family in their time of need. As you know we have begun an addition to the Pascik home (started May10th) and at this time we are almost completed with the electric and plumbing, this is mainly through the undying efforts and professionalism of Mr Jack McNaboe. It is through donations from organizations such as yours and the community volunteering to help that we can complete this project for someone who has given so much for our freedom. Again thank you so much.

Sincerely,

Mike Bennet

Director Colin Pascik Road to Recovery Fund
