Dear Mr. Fasulo: *Bob*

On behalf of the United States Military Academy Preparatory School, I want to thank AUSA for their continued support to our cadet candidates (CCs), staff and faculty.

Thanks to your generous support, we were able to experience the holiday spirit throughout the school. Students enjoyed a holiday party with great food and prizes awarded to the cadet candidates with the most creative holiday door decorations. The event was a much needed diversion from their grueling schedule and created a great way to celebrate the end of the first half of the academic year.

Your donations continue to support the Taste of Heaven Program, which brings delicious home cooked meals and desserts to the CCs on a weekly basis by the volunteers – many of whom are AUSA members. I watch the candidates fill their trays with an impossible amount of food and devour all of it. If you have time in your busy schedule, please visit us for a Taste of Heaven dinner. It is always the highlight of the CCs' week.

Finally, through AUSA's generosity, the Prep School was able to host a holiday/faculty appreciation luncheon. Since our staff is spread out over four buildings, the opportunity to come together is rare. Your gift made this possible.

I join with the staff, faculty, and cadet candidates in wishing you a belated healthy and prosperous New Year.

Sincerely,

Tyge Rugenstein
